

## 2023 SUBJECT INDEX

ADHD .....	86	Hypercholesterolemia .....	105
Anemia .....	132	Hyperviscosity .....	32
Angiotensin-converting enzyme 2 .....	41	Inclisiran .....	105
Antidepressive agents .....	36	Infection .....	1
Arachnoid cysts .....	79	Integral .....	9
Arthritis .....	4	Interns .....	64
Atomoxetine hydrochloride .....	47	Ketogenic diet .....	99
Attention .....	86	Lung neoplasms .....	112
Attention deficit hyperactivity disorder .....	47	Medical education .....	64, 116
Authorship .....	13	Medical students .....	124
Autoimmune diseases .....	74	Mental health .....	124
Autoimmunity .....	23, 132	Methylphenidate .....	86
Behavior .....	1	Modafinil .....	86
Bladder stone .....	83	Molecular mimicry .....	132
Body image .....	26	Myocardial infarction .....	9
Breast cancer .....	19	Neonatal polycythemia .....	32
Caffeine .....	86	Neoplasm metastasis .....	19
Cancer .....	99	Neoplasms .....	112
Catheter .....	83	Nephrotic syndrome .....	93
Cellular morphology .....	55	Neurodevelopmental disorders .....	47
Children .....	93	Newborn .....	32
COVID-19 .....	41	NIRS .....	32
COVID-19 pandemic .....	124	Nickel .....	112
Cyberbullying .....	26	Obesity .....	26
Depressive disorder .....	36	Organizational affiliation .....	13
Digitization .....	9	PET-CT scan .....	19
Disgust .....	1	Quality improvement .....	116
Distance learning .....	116	Quorum sensing .....	55
Dyslipidemia .....	105	Radiation .....	55
Ecchymosis .....	23	Recurrence .....	19
Egypt .....	13	Research activities .....	13
Electrocardiogram .....	9	Researchers .....	13
Endocannabinoid system .....	36	SARS-CoV-2 .....	41, 132
Endometriosis .....	74	Self-esteem .....	26
Epidemiology .....	74	siRNA .....	105
<i>Escherichia coli</i> .....	55	Smoking .....	124
Etiology .....	41	Spinal cysts .....	79
Exchange transfusion .....	32	Spondylitis .....	4
Excision .....	79	ST segment area .....	9
Gender discrimination .....	64	Steroids .....	93
Gender in medicine .....	64	Teaching methods .....	116
Gender inequality .....	64	Therapeutics .....	112
Genetic polymorphism .....	41	Therapy .....	93
Glucose .....	99	Treatment .....	4
Hemophilia A .....	23	Urology .....	83
